

## Confirmation Sermon Report

A sermon must be given in order to write a Sermon Report – music programs do not count! Students may use this form for any service (that a sermon is preached) including Lenten services, Holy Week services, and other special services.

**Please staple the service's bulletin to the back of this form.**

Please neatly answer the following questions. Using the bullet points, please list 3 examples for each question if possible. If the pastor doesn't preach on 3 examples, then you don't need to write 3 examples. Don't forget the questions on the back of this sheet! There is also space on the back of this sheet to write notes if you find that helpful. **Please make sure that you are writing in complete sentences – no one word answers!** Please see Laura or one of the Pastors if you have questions or if you are having trouble. We're here to help!

**Note:** \*The "world" refers to those who are under the rule of Satan (both angels & people). It also refers to those who do not believe in Jesus.

\*\*Satan is a fallen, evil angel that is the leader of all evil angels in the world and the "ruler" of unbelievers.
