Health Profile

CAMPER

The health profile should be completed as soon as possible.

Please make sure to fill in the "General Information" section immediately upon registering your child, as that section contains information we need to start planning for Kamp (t-shirt size, buddy requests, etc.).

All forms must be completed no later than **July 1, 2021**

CIT/STAFF

As a condition of your employment with Redeemer Summer Kamp you must complete the entire health profile by **June 10, 2021**.

Once completed, you may go back into your profile and make any necessary changes or updates to your profile until July 10, 2020. After July 10th, the profiles will be locked for review by kamp medical staff. Please contact Erin Springer at redemerkamp@gmail.com or 248-770-2999 if you need to make any changes after this date. If you have any questions or need to discuss a health issue before camp please contact Erin.

For all staff under 18 years of age the health profile should be completed and signed by a parent/guardian. The Dress Code policy (found under the authorizations) needs to be reviewed and signed by all staff. Staff under 18 years old will need a parent/guardian to review and sign the dress code policy, as well.

3. Once on your account page you will see the Kamp 2020 credit and your updated balance. From this screen you can select "Make A Payment" or you can send in cash/check!
